11<sup>th</sup> Minutes of Project Monitoring Committee held on 07.02.2023 under the Chairmanship of Joint Secretary & Mission Director (HFA), Ministry of Housing and Urban Affairs (MoHUA) to review the progress of Light House Projects (LHPs) under Global Housing Technology Challenge - India (GHTC- India)

11<sup>th</sup> meeting of Project Monitoring Committee was held on 07.02.2023 under the Chairmanship of Joint Secretary & Mission Director (HFA), Ministry of Housing and Urban Affairs (MoHUA) in Room No. 120-G, Nirman Bhawan with the construction agencies of Light House Projects (LHPs) to review the progress of LHPs and to consider release of the payments for the current running bills of the LHPs submitted by the Construction Agencies. The representative(s) of five LHP Construction Agencies, respective State Government officials, members of the PMC, officials of BMTPC and PMU members of HFA Division were present in the meeting physically or in online mode. The list of participants is enclosed at **Annexure**.

2. Welcoming the representatives of the LHP construction agencies and other participants to the PMC meeting, the Chairman informed that LHP Lucknow and Indore are scheduled for inauguration anytime in April 2023 by Hon'ble Prime Minister. Accordingly, he re-emphasized for taking all necessary measures to complete these projects in all respect by March 2023. Similar action was desired to speed up other two projects at Ranchi and Agartala.

With the above opening remarks, Director (HFA-V) made a presentation on the progress of four LHPs i.e. LHP Indore, LHP Lucknow, LHP Ranchi and LHP Agartala. Highlights of the presentation are as follows:

a. **LHP Indore, Madhya Pradesh**: The Committee noted with concern that commitment made by the construction agency and the technology provider to complete the Blocks No. 1, 2, 3 & 4 by 5<sup>th</sup> January 2023 was not achieved. It was also noted that required progress in Block 5 and 6 to complete by end of January 2023 is not made. The Superstructure work is in progress in all 8 Towers at various floors. In this regard, it was informed by the agency that the slow progress was due to non-availability of adequate number of panels at site. Only 10 vehicle loads were delivered at site in January month against the required quantity of 25-30 vehicle loads. As of now, around 50 vehicle loads of panels (21,000 sqm.) are required for completion of the project. The agency confirmed to complete the work of tower No. 1,2,3 and within 10 days including finishing except lift for Tower No. 3,4 which are likely to be received on 3-4 days.

Regarding query on untimely supply of panels by the Chairman, the technology provider, Sh. Ratan Singh of M/s Rising Japan Infra Pvt. Ltd. informed that due to major break down of plant in January, the supply was affected, however in consultation with the production unit, it was committed to supply 20-25 vehicle loads in February and balance in March 2023 as the production is being currently done in two shifts. In this connection, the Committee observed that

there has been some problem or other in supply of panels for last six months and the technology provider has to take responsibility of resolving issues internally and ensure that all the balance panels are supplied within a month.

Malf

- b. LHP Lucknow, Uttar Pradesh: It was observed that Block 1A is completed except lift installation. Superstructure of Block 3 & 4 has reached upto 12<sup>th</sup> floor level, finishing is in progress simultaneously. However, it was observed that the progress of the project is slow as per the schedule and commitment made in last PMC meeting. It was noted that out of total 1,040 DUs, only about 685 DUs have been completed till date with concreting of PVC Wallforms. Considering the current progress, it was observed that the project is behind schedule by 2 months. It was assured by the agency that except Tower1B and Tower 2, work of other towers will be completed with infrastructure by February 2023 and the whole project will be completed by March 2023. The Chairman directed the Construction Agency to put all its resources and increase the manpower further to complete the project without any further delay.
- c. **LHP Ranchi, Jharkhand**: It was observed that the superstructure work of Block 1 and 2 have been completed and finishing work like installation of uPVC, tiles, doors, MEP, painting etc. are in progress in all the floors. Superstructure work is in progress at 5<sup>th</sup> floor level in Block 6 & 7, at 3<sup>rd</sup> floor in Block 5, 2<sup>nd</sup> floor in Block 3 and first floor in Block 4. The agency has committed to complete Block 1,2, 6 & 7 in all respect and superstructure of Block 5 by March end. Out of 1,008 DUs, till date 587 DUs have been erected. Although the pace of construction has increased in last two months, the Agency was advised to put more resources and speed up the workfurther so that the project could be completed before start of rainy season.
- d. LHP Agartala, Tripura: It was observed that the superstructure work of Block F has reached upto 6<sup>th</sup> floor and in Block A, upto 4<sup>th</sup> floor. The shear wall work of Block E & G for lift well has reached upto 4<sup>th</sup> floor. Considering the current progress, it was felt the agency is not likely to achieve their committed target of completion of Block A & F in all respect and Superstructure work of Block G & E by end of February 2023. In this regard, the Chairman advised that the agency should increase manpower and other resources to complete the project before start of rainy season.

#### 3. Release of State and Beneficiary shares

The Committee noted the following status of release of State and Beneficiary share by respective State Government as informed by their officials.

**Uttar Pradesh:** Pending second installment of State and beneficiary shareof Rs. 29.48 crore will be released within a week.

**Tripura:** The file for release of pending installment of around Rs. 25.00crore is in process and will be released soon.

**Jharkhand:** Out of Rs. 62.84 crore, only Rs. 9.04 crore has been receivedtill date. Considering the current progress of project and high percentage of beneficiary share, it was advised that the State should release at least 50% of State share and Beneficiary share at the earliest. In case of delay in receipt of share from beneficiaries, State may consider to release their share from its own resources so that progress of the project is not hampered.

**Madhya Pradesh:** As on date, State needs to release pending share of Rs. 5.10 crore of second installment and third installment of Rs. 14.34 crore.

god

#### 4. Release of Payment of pending bills of the agencies.

Director (HFA-V) apprised the PMC about the already payments made against the Running Bills submitted by the LHP Construction agencies and TPQMA agency. The Committee noted the details of the payments made till date for all the projects along with charges for TPQMA as under:

	LHP-wise Payment Status (Amount in Rs.)								
	Agartala	Chennai	Indore	Lucknow	Rajkot	Ranchi	TPQMA		
Total Amount paid	38,08,59,375	116,26,96,912	94,60,57,728	86,09,65,845	117,11,01,959	45,57,38,90	131,15,831		
In %	23.44%	100%	73.91%	65.77%	98.50%	34.01%	52.63%		

5. Following running bills for payment received from LHP Construction Agencieshave been examined by the BMTPC for release of payment:

(Amount in Rs.)

				(Amount in No.)
S.	Name of the	RA Bill	Amount of running bill	Payment
No.	LHPs	No	submitted by LHP	recommended for

	То	tal	35,40,50,702	31,70,44,098

The Committee after due deliberations recommended release of payments as pertable above.

- 6. After taking a considerate view on the current progress of the projects and the issues flagged by the Construction Agencies, the Chairman re-emphasized that all the agencies must take necessary measures including supply of materials and deployment of required additional manpower to complete the projects in all respect within the stipulated timeline.
- 7. The meeting ended with a vote of thanks to the Chair.
