

RACHNA

RESILIENT, AFFORDABLE AND COMFORTABLE HOUSING THROUGH NATIONAL ACTION

Training #11: Two-Day Awareness Programme on

'Innovative Construction Technologies & Thermal Comfort for Affordable Housing'

Location: Lucknow | Date : 18th & 19th May 2022 | Time : 10:00 AM to 5:30 PM

ABOUT THE AWARENESS WORKSHOP:

The Ministry of Housing & Urban Affairs (MoHUA) in partnership with GIZ and Building Material and Technology promotion Council (BMTPC) is hosting series of trainings/workshops on Innovative Construction Technologies & Thermal Comfort for Affordable Housing named RACHNA (Resilient, Affordable and Comfortable Housing through National Action). The prime focus of this awareness workshop is to make participants gain knowledge on thermal comfort and its necessity in the affordable housing sector. The workshop covers the thermal comfort basics, material influences, low-cost solutions & codes that are available in India to create Climate-Smart Buildings. The participants will also get opportunity to explore more through unraveling a small design problem. The outcome of the workshop would be to make the stakeholders understand the need for thermal comfort & urge them to use their learnings in future assignments.
